

NewsFlash #3 Quiz: True or False for Your Company?

1. The only criteria we use to decide whether or not to keep our current carrier is how well their price competes against other bids. **True or False**
2. When an injury occurs, our supervisors know to hand off all communication and responsibilities to the HR department. **True or False**
3. Employees who say they have a fear of re-injury, challenges at home due to their injury, financial worries, or similar concerns are probably trying to “milk the system” and collect all the money they can. **True or False**
4. We don’t ask any questions about a job applicant’s health or prior injuries because it’s against the law. **True or False**
5. Our insurance agent can’t show us an analysis of our mod to help us understand how we might reduce it – and our premium costs. **True or False**
6. We’ve got our mod down to 1.0, so we don’t have to worry about it anymore. **True or False**
